PROJECT SUMMARY

The Chartiers Valley Shopping Center located at 1025 Washington Pike, Bridgeville, Pennsylvania 15017 has secured \$4,053,674 in C-PACE financing. The property owners are the Trust created under the Deed of Trust of Paul Kossman, dated September 1, 1973. Acting as the third-party Program Administrator for the Allegheny County C-PACE program, Sustainable Energy Fund ensured the project's compliance with Allegheny County C-PACE guidelines for a renewable energy project and the Act 30 Statute. The project capital provider is Forbright Bank.

The property sits on a single parcel situated just off interstate 79 in Bridgeville, Pennsylvania. This C-PACE transaction will fund the construction of a rooftop mounted, solar photovoltaic (PV) system. The system will be 933 kW in size and is expected to generate approximately 1,246 MWh in its first year of production. The electricity supplied is expected to reduce utility bills by \$77,594 in the first year of operation. By obtaining this portion of electricity from a solar array, the facility is to prevent the emission of over 880 metric tons of carbon dioxide equivalent greenhouse gasses in the first year of operation.
